Call for Special Session Proposals

- CASES • CODES+ISSS • EMSOFT • Trustworthy IoT • Symposia • Workshops • Tutorials •

About Embedded Systems Week (ESWEEK)

Embedded Systems Week (ESWEEK) is the premier event covering all aspects of embedded systems and software. By bringing together three leading conferences (CASES, CODES+ISSS, EMSOFT), a special Trustworthy IoT Day, a symposium (NOCS), and hot-topic workshops and tutorials, ESWEEK presents attendees a wide range of topics unveiling the state of the art in embedded systems design and HW/SW architectures.

Special Session Proposals:

May 1, 2020

Conference:

September 20-25, 2020

One Registration, three Conferences !

Registered attendees are entitled to attend sessions of all conferences CASES, CODES+ISSS, EMSOFT, and the Trustworthy IoT Day. Symposia, workshops, and tutorials require separate registration.

Special Session Proposals

We invite you to submit special session proposals on any topic related to the broad areas of interest of ESWEEK and beyond. The special session should cover a topic that is contemporary, hot, and complementary to the regular sessions. The special session should be able to generate enthusiasm among the ESWEEK participants.

Proposals should be submitted before the deadline of **May 1, 2020**.

Submission Details: A 2-page maximum PDF file, including the following information:

- Title of the special session.
- Description of the topics that the special session will address, how the special session complements the reviewed paper sessions in ESWEEK, and why the theme of the special session is relevant.
- Expected format of the special session (invited presentations, panel discussions, or other ideas to promote active exchange of ideas).
- Organizers with short bio, affiliation, and their expertise in the proposed topic(s).
- In case the organizers are not presenters, names of the presenters with short bio, affiliation, and their expertise in the proposed topic(s).

Please submit your special session proposal through the SoftConf website <https://www.softconf.com/l/esweek2020-sst>. If you have any questions about the submission of the **ESWEEK 2020 Special Session proposals** please contact Paul Bogdan, University of Southern California, US, at pbogdan@usc.edu. The participants of each accepted special session will have the opportunity to co-author a single overview paper (maximum 10 pages) of the special session. This will be published in the ESWEEK 2020 proceedings.
